BLOOM TOWNSHIP HIGH SCHOOL

Through these doors have passed another group of future citizens. We, in the past four years, have studied hard to prepare ourselves for the life ahead, but it will be the application of what we have learned that will determine whether or not these years at Bloom have served their purpose.

Tom,
Lots of luck to a very good kid and a handsome friend.

SEPTEMBER PROBLEMS

The puzzled freshman stumblingly asking for directions, the startled cry of despair of, "Oh, look at the size of this chemistry book!" and the ageless, "You mean you don't have an opening in eighth hour English?" These are the basic ingredients which go into making the first day of school an unforgettable event.

Mrs. Porter hands out the cause of it all.

LEFT: Mr. Hamlin signs 'em up.

Charles Plogman leads the 3:20 parade.

THE YEAR

The year 1952-1953 was indeed an unusual year here at Bloom. This was the year that the enrollment swelled to an all-time high of 2306. To accommodate this increased student body, a new addition was made to the building, and plans were undertaken for additional construction. This year saw the return of Mr. James Steckel to the faculty after a year's tenure in Korea. This was also the year that our football team returned to its winning ways of seasons past. This year, too, the girls' archery team won the state championship for the third consecutive year.

These were just a few of the year's highlights; there were dozens more. These, coupled with the traditional dances, football and basketball games, Friday nights at the Morgue, and, last but not least, classes at school, provided an outstanding year.

First period, Sept. 3, 1952

PUZZLED FROSH

"You can spot 'em every time" is a much-used phrase during the opening days of school. The "'em" naturally refers to those who for one year must bear the brunt of every upperclassman's wrath—the freshmen. Here we see one unfortunate entering his first class. Uncertain, isn't he?

B. Stern, R. Novoryta, G. Schroader, J. Bonnin.

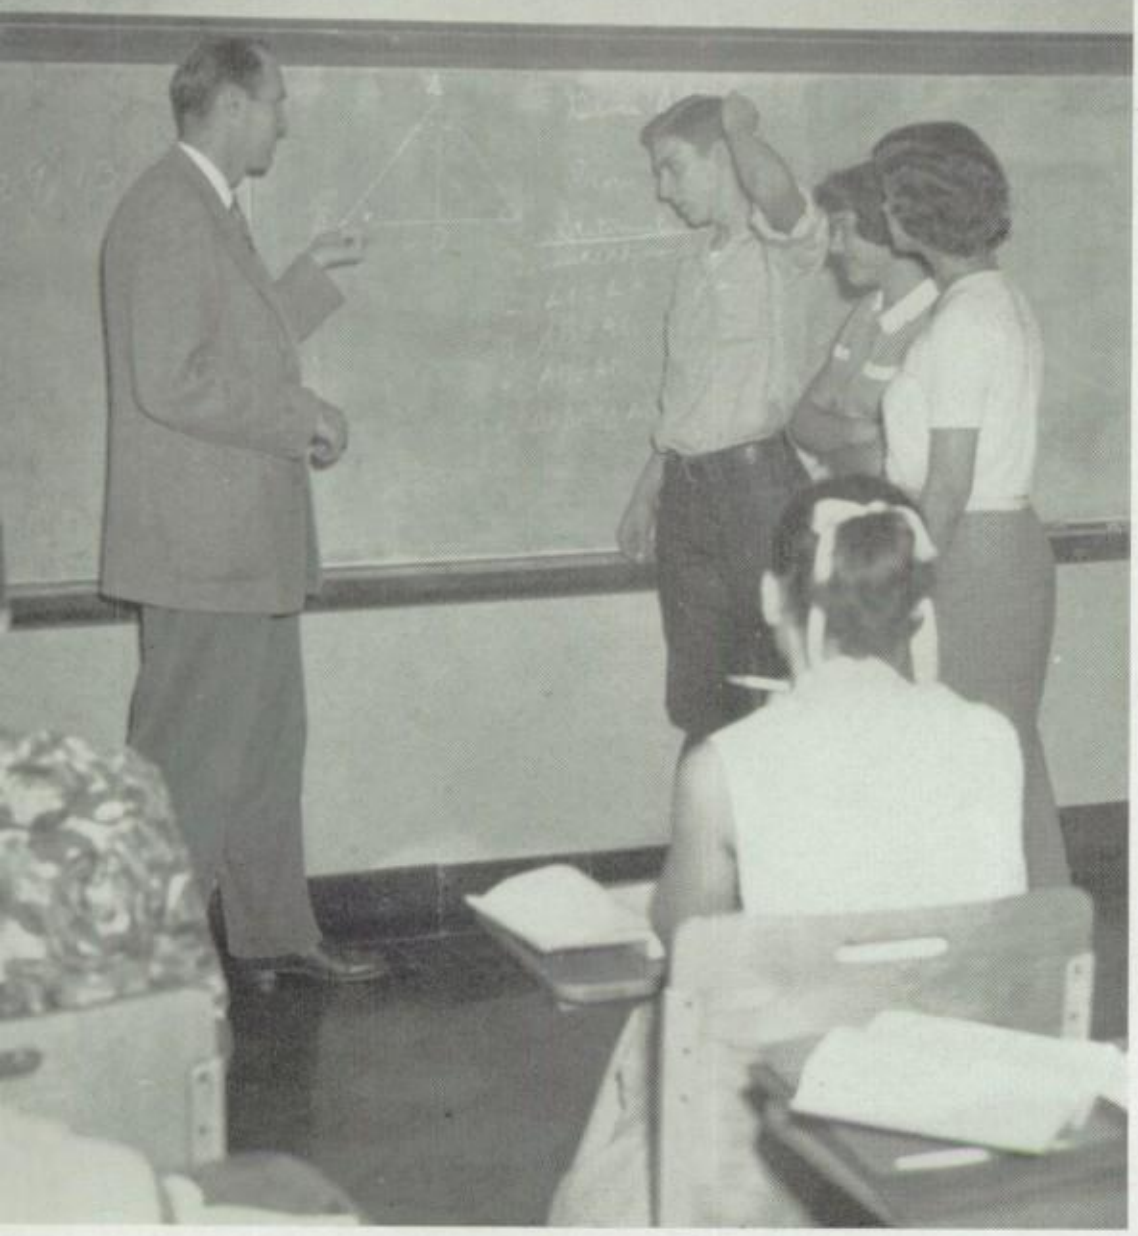
PHYSICS CLASS

No! You're wrong. The above physics students are not suffering from the effects of too much homework. Once a week throughout the year these young Einsteins have lab during which they have experiments much like the one shown here.

CHEMISTRY LAB

Below we see one of Mr. E. R. Nelson's chemistry classes absorbed in some sort of laboratory work. It is this class that is responsible for the fragrant odors experienced throughout the school on Tuesdays and Thursdays.

C. Espinoza, R. Groom, J. Gilbert, Mr. Nelson.



Mr. Hamlin, R. Taylor.

MATHEMATICS

Say, what goes here? The young fellow above seems somewhat perplexed as to the solution of the proof on the board. It could be, however, that the tall gentlemen on his left, Mr. George Hamlin, will give him a little aid.

This, as you've probably guessed, is one of Bloom's many geometry classes. Here, students become acquainted with theorems, postulates, proofs, and all the other things that are involved in the study of plane geometry.

Had we peeked into Mr. Robert Andrews' 7th hour advanced algebra class, we probably would hear him and his class of seniors involved in a discussion of ellipses and hyperbolas.

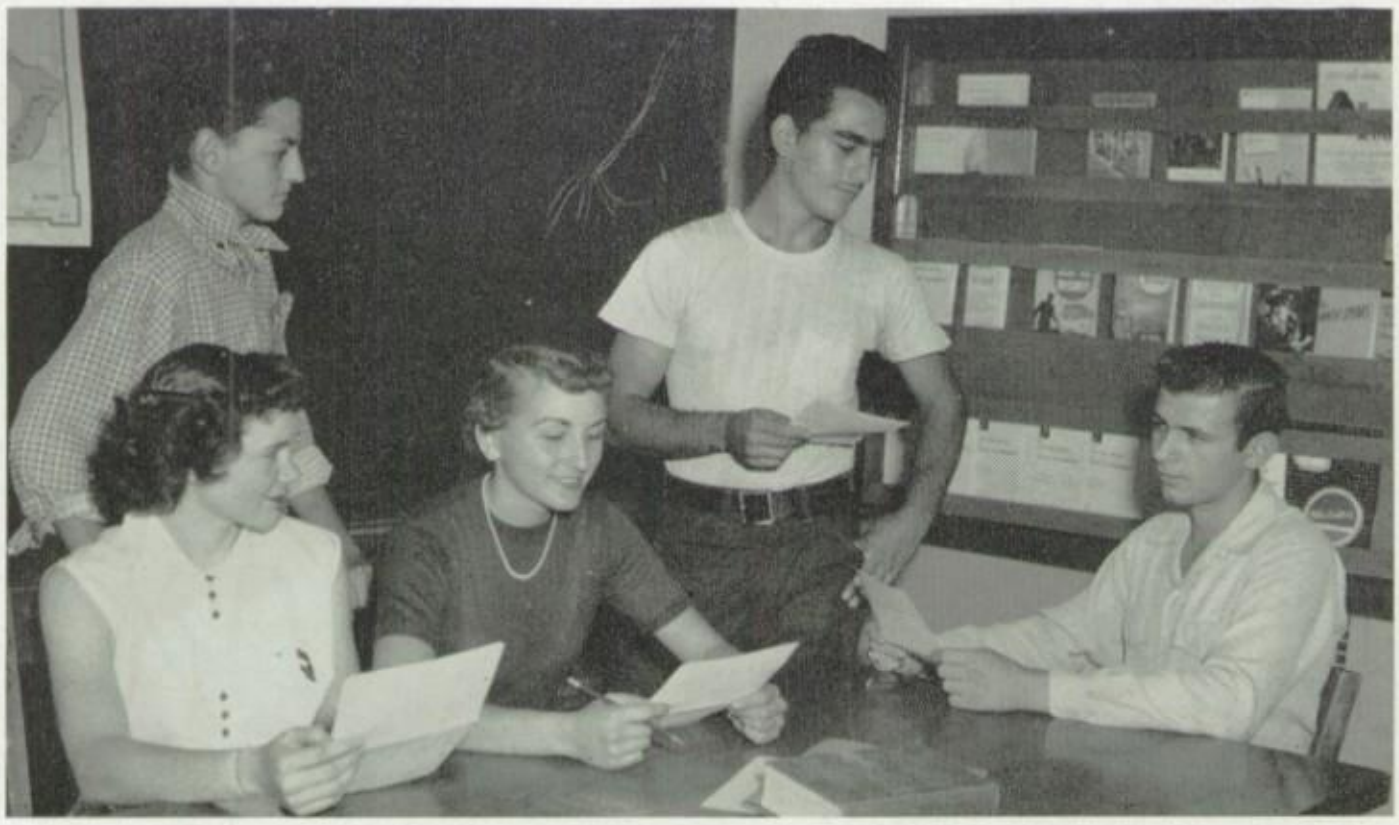
Joy Smith, Walter Brown, Steve Stroh, and Carol Ratjen examine pictures of Anglo-Saxon buildings.

ENGLISH

These hearty seniors are engaged in the study of English literature, and though you'd never guess it from the expression on their faces, it involves a lot of hard work.

In the other picture we see a freshman English class busily engaged in a classroom discussion. Note the confident, almost eager, look on each face. Oh, well! They have four years to learn.

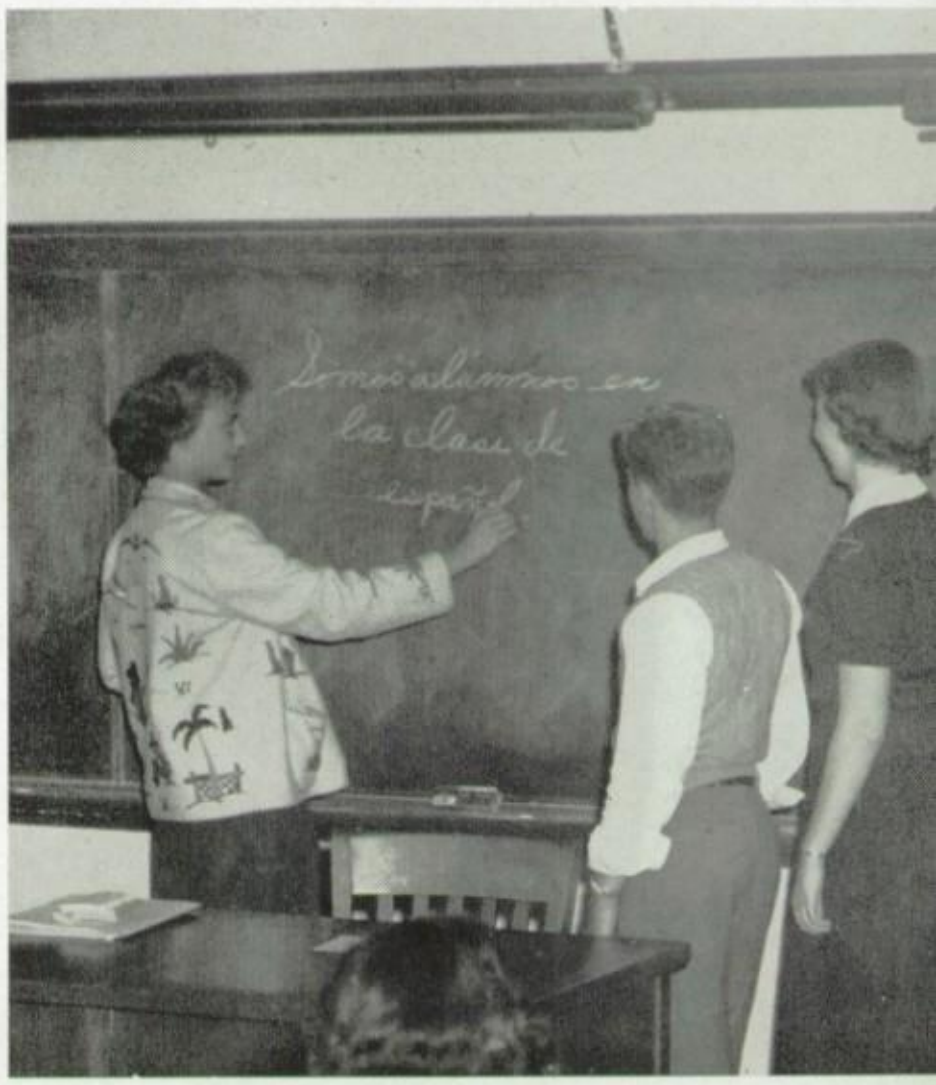
Frosh English students ponder over a question.



R. Faust, C. Hoff, A. Sowinski, A. Zalapi, A. Capriotti.

HISTORY
FOREIGN LANGUAGE

The three pictures on this page are of subjects with which just about every Bloomite comes in contact. In one we see several American History students involved in a panel discussion. In the other two we glimpse at a Spanish and a Latin class at work.



Karen Meidell constructs a sentence in Miss Sawyer's Spanish class.

LEFT: Nancy MacVay describes a Roman watchtower to one of Miss Haskett's Latin II classes.

Mr. Hippensteel, R. Trusty, P. Dolowy, W. Royer, G. Cochrane, M. Thornburg, C. Harrington, B. Lages, N. Ahrendt.

MUSIC — ART

These photos give us only a small idea of the ample opportunity which the students have to study in the fine arts.

The art classes of Mr. Mearl Dodge study painting and painters as well as modeling and design. They also have a chance to enter several local and national contests.

The many music classes under the direction of Mr. Robert Hippensteel and Mr. Einar Cannelin study many types of vocal and instrumental music. They provide us with several programs a year, the Christmas and spring concerts being the most important.

TYPING

"Who's got an eraser?" is a cry that can be associated with but one class—typing. Here amid the clatter of typewriters and anguished cries of despair, Bloomites learn the fundamentals of manipulating a typewriter.

CLOTHING

In the above picture we see a sewing class at work. These busy seamstresses learn the art of the needle and the thread and apply it to making their own clothes.

D. Johnson, D. Dykes, I. Gray, D. DeLuca, R. Barackman, T. DeLeach.

INDUSTRIAL ARTS

Although the Industrial Arts facilities are already extensive, we will have a new building devoted entirely to industrial courses to be completed in the near future.

Pictured here are three of the many courses offered, some of which are: foundry, patternmaking, architectural and mechanical drawing, machine shop, and auto mechanics.

The newest addition to the many courses is crafts, under the direction of Mr. John Prombo, which gives the student a chance to make useful articles and learn different skills.

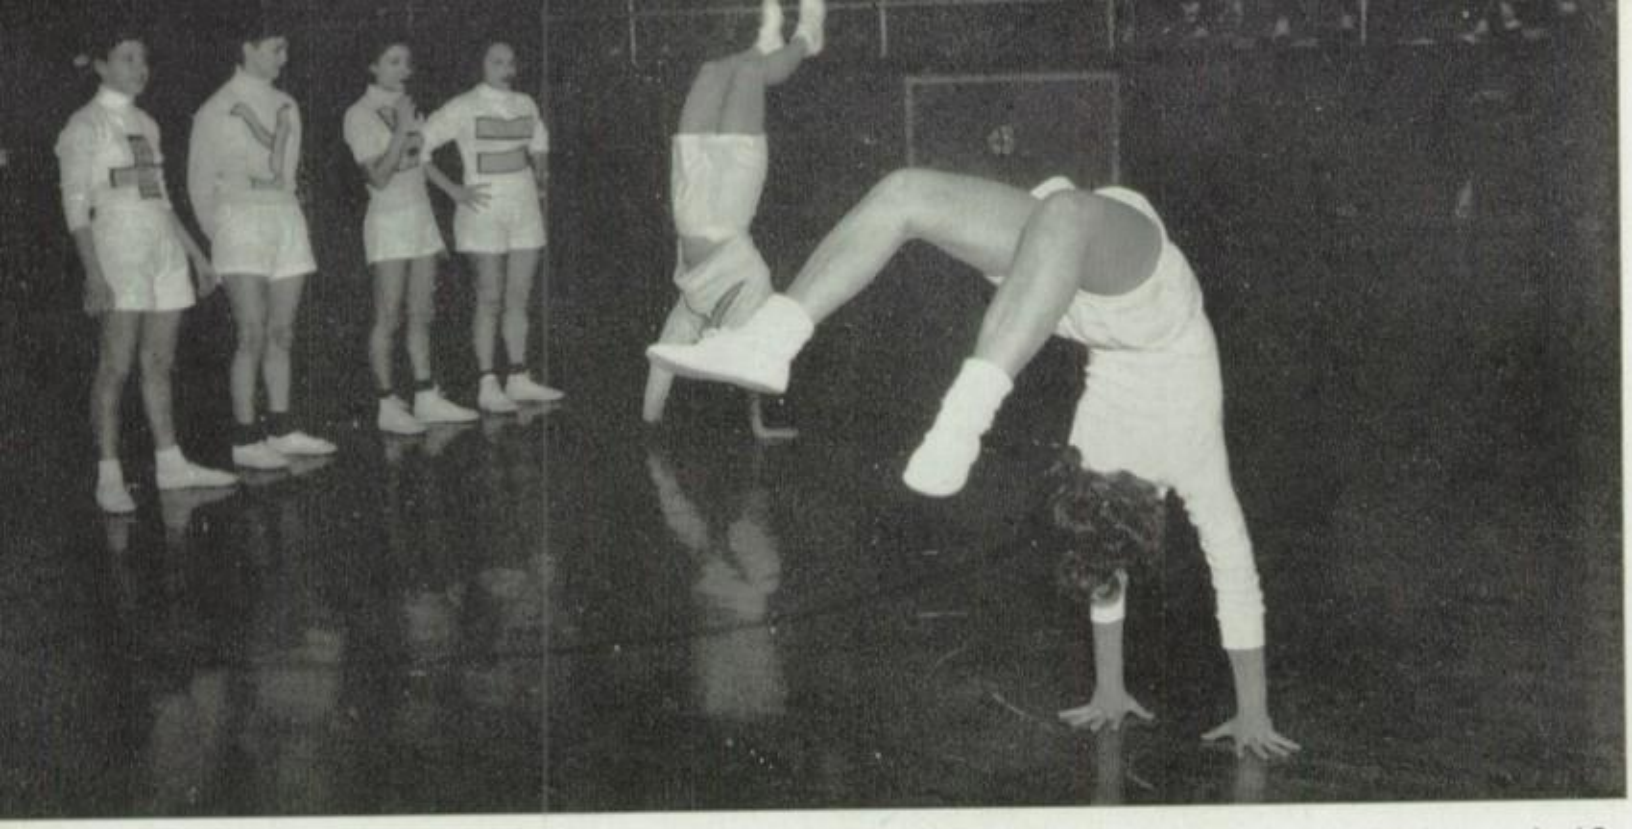
ACTIVITIES — BLUE AND WHITE DANCE

The second annual Blue and White Dance held after the Kankakee game in February was a great success. Introduced in 1952, it has become very popular and has taken its place as an important social event on the same level as the Prom and the Homecoming and Spring Dances.

The following pages picture most of the important events of the year and a few candids of school life as well as shots of several outstanding activities.

Games, the Snake Dance, the Prom, the Senior class play, and concerts are a few of the outside interests that attract many Bloom students.



These Frosh assembly participants really put on a good show, don't you think?

BELOW: "Jes' lookin' "

ABOVE: "It's in the book!"

BELOW: Shades of Wakiki!

According to their faces, these Bloomites really seem to be enjoying the Morgue's facilities.

THE MORGUE

This year the Morgue was nearly dissolved because of the controversy over Old Bloom. The Morgue Board, however, was able to reserve St. Agnes Hall for most of the year and thereby kept the Morgue operating. The school board then decided to repair Old Bloom instead of selling it. Members and non-members both worked along with the painters and carpenters to speed the reconstruction and to enable the Morgue to move back into its original building.

The Morgue has provided many Bloomites with recreation for years and has given them a place to meet their old friends and a chance to make new ones. The idea for a youth recreation center grew out of discussions in problems of democracy classes.

These loyal Morgue membersseem to be enjoying their part in the remodeling of the clubrooms.

RIGHT: Freshmen going down an "up" stairway illustrate one of the many problems encountered in their first year at Bloom.

LEFT: Manfred Menking, Ann Edgar, Beverlee Hubbart, and Berndt Schumann sang German folktunes for us last spring.

LEFT: Judy Balser samples some punch at the Soph Tea.

Joan Hillegonds, who did much to improve our half-time programs, demonstrates her championship technique.

HALF-TIME ACTIVITIES

This past football season saw half-time ceremonies at Bloom greatly improved. The majorettes and flag-twirlers coached by Joan Hillegonds added life and sparkle to the band, which performed more and new formations under the able direction of Mr. Einar Cannelin. The square dance pictured below was just one of the interesting features.

These girls demonstrate their ability to square-dance which they learned in in gym classes. Good, aren't they?

LEFT TO RIGHT: J. Kwasek, S. Piunti, W. Fornal, R. Leoni, J. Clarey, D. Biddick.

FOOTBALL BANQUET

The annual Football Banquet, sponsored this year by the Chicago Heights Rotary Club, was held on December 3. This event, which honors all of Bloom's football teams and their coaches, was thoroughly enjoyed by all who attended.

The guest speaker this year was Mr. Harry Creighton, a former resident of Chicago Heights and now a nationally-famous TV sports announcer. Mr. Creighton, in his talk, stressed the value of morale and co-operation and gave evaluations of the players he had seen in action.

LEFT TO RIGHT: Mr. Buchtel, Dr. Metcalf, Mr. Sarff, Mr. Love, Mr. Harry Creighton.

LEFT TO RIGHT: Mrs. R. Pomrehn, Mrs. P. Pomrehn, J. Pfeifer, Miss Veazey, Mrs. J. Pasdzuira, A. Pasdzuira, G. Pomrehn.

MOTHER-DAUGHTER BANQUET

The twenty-fifth anniversary of the Mother-Daughter Banquet was celebrated on Wednesday, February 11. Over four hundred mothers and daughters attended this annual senior affair all dressed up in a beautiful array of colorful dresses. Having enjoyed a tasty roast beef meal, the mothers were toasted by Lois Merritt, and Mrs. Paul Pomrehn responded. Then Mrs. Gilbert Fink, substituting for Mrs. Alan Simpson, who became ill at the last minute, spoke very informally to the girls about their problems and responsibilities at home and at school.

"PRIDE AND PREJUDICE"

A 19th century setting made this year's class play outstanding. Based on a novel by Jane Austin, it provided us with a different type of humor and gave us an insight into life in the early 1800's. Miss Leitha Paulsen cannot be praised enough for her wonderful direction and supervision.

THE PROM

The theme of "South Pacific" put everyone in a romantic and gay mood for the Prom. Harriet Cordes reigned as queen over this formal affair attended by Carole Love and Marion Carrara.

HOMECOMING

The Homecoming Dance with its theme of "Blue Heaven" was a huge success. The highlight of the evening was the crowning of Ron Leoni and Harriet Cordes as king and queen.

These seniors may have different thoughts about graduation, but they're probably looking at diplomas!

GRADUATION

As June 12 approached, we began to think back over the years to that day when we, as freshies, were assigned to homerooms.

The Goldbrickers Club, the class assemblies, and the Junior Penny Social were prominent in our memories.

Then as our last year came to a close, Class Day, Honor assembly, and Baccalaureate occupied our thoughts. Finally, on that last night, we heard "Land of Hope and Glory," a handshake soon followed, and then that diploma which we prized so much was in our hands—it was all over except the memories and the strange feeling of loneliness which many of us had.

The final step.

FRESHMAN CHORUS

The Freshman Chorus made up the largest single music group in Bloom. Because of its tremendous size, it was necessary that the chorus meet in three separate periods. The main purposes of the class were to teach the fundamentals of singing and prepare the girls for the more advanced singing groups such as the a Cappella Choir, the Girls Chorus, and the Girls Glee Club. The Freshman Chorus was under the co-sponsorship of Mr. Einar Cannelin and Mr. Robert Hippensteel.

ORCHESTRA

Composed of fifty (talented) musicians, the Advanced Orchestra has completed its third successful season under the able leadership of Mr. Robert Hippensteel. Among the programs presented during the year, the teachers' meeting, the Christmas Vesper Service, the Spring Concert, Baccalaureate, and graduation were of major interest. A string ensemble, made up of several orchestra members, played for the senior class play. With a new practice room and new music, the orchestra is ready to begin another successful year.

Besides participating in the Winter Concert, the band provided enjoyable music for many school assemblies throughout the year.

COACHES

These are the men who comprise the coaching staff at Bloom. Some, like Coach Sarff and Coach Nelson, have devoted much of their lives to the Bloom youth. Others, such as Coach Love and Coach Moore, have been at Bloom for a relatively short time, but the results of their work can already be seen.

These are the men who make athletics at Bloom possible. Through their work and interest, the boy of today is molded into the man of tomorrow.

A coach has to be especially dedicated to his chosen profession because his is often a thankless task. If the team has a good season, the coach gets a pat on the back; but the perennial comment is, "Well, he had the material. How could he help turning out a winning team?" When the team loses, however, quite another cry is heard. Then it's all the coach's fault.

Theirs is a job that is not rewarded too well financially; one that frequently leads to ulcers and premature graying at the temples because of the constant pressure the modern coach is always under. They deserve a salute for an important job well done.

VARSITY FOOTBALL

Although the Trojans didn't live up to the expectations of their most optimistic rooters, they finished the season with a more than creditable record of three wins and two losses in conference play. This was good enough to win them third place in the South Suburban, finishing behind Thornton and Argo, a decided improvement over last year's cellar finish. The team, coached by Cecil Sarff, was hampered throughout the season by injuries.

Playing Evanston in the opening game of the year, the Trojans went down to a 14-6 defeat, at the hands of the Suburban league strong men. They beat East Aurora in their next game of the season 25-13, and in so doing snapped a three-year losing streak to the Aurorans.

The Blue and White gridders lost their next two games in a row, succumbing to Argo and Washington of East Chicago, but they bounced back with a vengeance, defeating Leyden 33-14, Blue Island 26-0, and Cal City 42-6. The season ended on a sad note, however, when a never-say-die Bloom squad was defeated by Thornton's fired-up team.

According to Coach Sarff, next year's team should give the rest of the league plenty to worry about, since there will be thirteen returning varsity lettermen, including several starters from this year.

Juniors who saw a lot of duty this year are Ron Galiene, George Pilota, Andy Pascarella, Bill Cooney, Bill Dewey, Bob O'Connell, and Chuck O'Neal.

Seniors who have played their last football game for Bloom are Dan Cooney, Dan Biddick, Vic Golletz, Sam Maciareillo, George Keeney, Sam Piunti, Lou Friend, Fran Gyger, Jack O'Beirne, Dave George, Joe Kwasek, Bill Fornal, Stan Drejas, Londo Pellegrino, Ron Leoni, and Steve Paul.

FROSH-SOPH FOOTBALL

By slapping down Thornton, 13-0, in the climaxing fued at Harvey, Coach F. W. Buchtel's 1952 Frosh-Soph footballers earned for themselves a tie for second place in South Suburban championship standings.

This was a team which won only once as freshmen; which lost five in a row last fall before finding the victory trail. Fortunately, it was a squad composed of boys with that "never-say-quit" spirit. Each week against heavier and more experienced foes Bloom's F-S- kids displayed progress, despite being out-pointed.

Blue Island was their first victim, 19-13; then Fractional fell, 19-12, under a second-half rally sparked by long touchdown runs by halfback Don Lawnicki and Roy Kentish.

So thorough was the team's performance at Harvey that only penalties saved their rivals from a complete rout. These Little Trojans had "come a long way" since absorbing a 32-0 pounding under a blazing sun in the opener at Evanston. It was hard to understand how East Aurora had won, 12-9; Argo, 15-0; East Chicago 18-12; and Leyden, 19-7.

Other backs who were outstanding were Bill Bodman, Don Prisco, and Vince Larvick. Ed Haney was the top lineman, and Ralph Marchio the ace pass receiver.

The purpose of Coach Frank Buchtel's Frosh-Soph squad is to teach the fundamentals of football and to develop varsity material. Therefore quite a few boys should be potential big Trojans next fall. Among those are John Lindley, Al Amano, Tom Helmrath, Marv Cassady, James McLaughlin, Dan Martinez, Bill Gaskill, Santo LaCorte, and Bill Reichert.

FROSH FOOTBALL

Coach Nello Petersanti's Tiny Trojans faced a rugged league schedule this year, and an even rougher group of non-league games. Although they finished the season with one win, one tie and four losses, the squad showed good all-around depth and ability. The team just couldn't seem to get going and received more than its share of bad breaks.

Playing Proviso, an annual opening day foe, in the first game of the season, the Freshmen took a 24 to 0 whipping at the hands of the strong Suburban leaguers. The squad then met arch-rival Thornton in the first South Suburban league game, losing a heart-breaker 19 to 13. Coach Petersanti's lads didn't let their early losses get them down, though, because the next week they went out and smothered Leyden 24 to 6.

They lost their next two games and ended their season at Cal City, tying the state-liners 0-0.

Linemen who can be expected to do big things on the Frosh-Soph next year are ends Bartoliene and Curio, tackles Jungee and Behm, guards Delsner and Bird, and centers Klinger and Heckman.

Outstanding backfield men were Gerald at quarterback, Green, Roberts, Evans and Sharp at halfback, and Narcisi at fullback.

FRONT ROW: L. Spann, E. Metke, R. Peterson, P. Panici, B. Moehlig, F. Kogler, A. Persiani, R. Schilling, C. Russell, W. Branch. BACK ROW: Coach Steben, G. Williams, T. Hoffman, G. Harris, L. CROSS COUNTRY

This year our cross country team had its best season since 1950, when the harriers of that year won the state title. This squad, although it lacked a Jonas-Murphy combination, succeeded because of its over-all team strength.

With Fred Kogler and Bill Moehlig as a one-two punch, the Trojans triumphed in five out of six contests. Their sole loss was suffered early in the season at the hands of Lyons, who was unable, however, to stop the Blue and White two-milers from copping the district meet later in the year.

After winning this all-important meet, Coach Ralph Steben led his top ten men, Kogler, Moehlig, Persiani, Russell, Panici, Spann, Peterson, Metke, Schilling and Branch to the State finals at Woodruff High in Peoria. The first five of the above named scored 109 points, placing Bloom fifth in Illinois.

In comparison with the record of last year's all-star group, it is obvious that Coach Steben did a great job of developing an inexperienced squad of varied skills into a team of traditional Bloom ability.

Next year's squad shows even greater possibilities, as six lettermen and ten minor award winners will return to the team. Graduating seniors are: Charles Russell, Pasqual Panici, Elliot Metke, Wallace Branch, John McNulty, Joe Browning, and Larry Golin. Team members and fans are counting on a season of increased progress next fall.

Snuckie Zawada goes up for a shot in the Thornton game while George Varallo and Tony Gatch await a possible rebound.

VARSITY BASKETBALL

An acute shortage of returning varsity letter-winners forced Coach Dale Love to play this season with an eye toward the future. As can easily be seen by looking at the starting five, which, for the bulk of the season, was comprised of four juniors and one senior, varsity basketball this year was definitely in a rebuilding stage.

The Lovemen finished the season with seven wins and sixteen losses, but the won-and-lost record does not tell the entire story. Of the sixteen games lost, seven were lost by five points or less, two of these by only one point. A little more experience could easily have turned the tide in all of these close defeats.

Winning four of their first five games, the hoopsters started the season on the right foot, but the roof soon fell in with a bang. In their sixth game of the season, the Trojans were conquered by Blue Island 68 to 41, and they then proceeded to lose eight straight tilts before finding their way back to the win column with a 54-52 victory over Bradley.

Toward the end of the season, a definite improvement could be seen in the team, and even though they dropped several close games, their spirit was never broken. The Trojans won their final home game, beating East Aurora 72 to 65, and then dropped one to Leyden to close the regular season. Meeting Joliet in the regionals, the Lovemen suffered a heartbreaking, two point defeat on a technicality.

The team was led in scoring by Captain George Varallo, the lone senior on the starting five. Other graduating seniors are Snuckie Zawada, and Tony Gatch.

Dave Marr, Bob O'Connell, Ernie Modzelewski, Bill Dewey, Charles Manson, Don Minick, Kelo Panici, Frank Nardi, and Jack Hlavach are juniors who will return to next year's squad, which will also be bolstered by members of this year's championship Frosh-Soph team.

The Lovemen had a season shooting average of .325, outshooting their opponents who hit .314 of their shots. The Trojans also led the way at the free throw line, hitting .639 of their charity shots in contrast to their opponent's .589 mark.

George Varallo's 318 points won him top scoring honors on the team, while Bob O'Connell led the squad percentage-wise with a high .352 average. Finishing second in scoring with 229 points, Dave Marr was also top man in free throw shooting, boasting a .729 average.

Other Trojan sharp-shooters were Ernie Modzelewski who had 153 points and .347 average, and Bill Dewey, who hit for 106 points.

FROSH-SOPH BASKETBALL

To call this year's Frosh-Soph basketball season a success is an understatement. Twenty times Coach Moore's lads took the floor and only twice did they come out on the short end of the count. The South Suburban Championship went to the Little Trojans on the merits of a 12-2 conference record.

They started the season with a bang, winning their first five games in a row, but any hopes for an unbeaten season were smashed by Lockport, who whipped out lads in the sixth game of the year, 46-43. After their initial defeat, the Frosh-Sophs won eight more tilts before succumbing to Blue Island 52 to 49, in a surprise upset. The Trojans went through the rest of their schedule without a loss.

Some of the high points of the year were a 69-47 victory over Argo, a crushing 70-47 win at Kankakee, and the second victory over Argo, which clinched the championship for the team. A new Bloom scoring record was set in the Kankakee game.

Co-captain Roger Taylor was top scorer for the Frosh-Soph, boasting a 16-point-a-game average in addition to being playmaker. Co-captain Bill Bodman did a terrific job all season on scoring and rebounding as well as being the squad's most dependable player. Others on the first seven were big Glen Pomrehn, Fred Johnson, Morris Cortez, Aaron Miller, and freshman Tony Kavolis.

FROSH BASKETBALL

The Tiny Trojans brought home a regular season record of six wins and a like number of losses for a .500 average. In addition to regular season encounters, Coach William Shroyer's lads journeyed to Kankakee for a tourney of freshman squads but were beaten by Joliet Catholic in a close contest 49-42. Two victories were notched over Rich, while two losses came at the hands of Thornton. Splits of two game series were with Blue Island, Kankakee, and Joliet. A single victory came over Steger eighth grade and a lone loss against Glenwood.

Boys who saw considerable action through the year were Dave Mannel, high scorer; Henry Rice, Joe Glass, Steve Stritar, Bob Green, Clyde Moore, Freddy Evans, Howard Johnson, and Harden Gerald. Another freshie, Tony Kavolis, spent his season with the Frosh-Soph and did not join the club until just before the tournament. Every boy who saw action this year entered the scoring column at least once.

VARSITY WRESTLING

The varsity wrestlers had only a fair season this year, winning two matches, losing five, and tying one. The team took fourth in the conference and sent two boys to the state finals at Urbana. The chief difficulty was a lack of facilities more than a lack of material, and the major accomplishment of the season was gaining training and experience for a young squad.

Of the four boys sent to the state finals from last year's strong team, two, Jerome Budzik and Fred Swanson, were graduated. The third member, Wade Palmer, met with a serious knee injury and was unable to compete during his senior year. The lone survivor of the classic foursome, John McNulty, became ineligible at mid-year but retired undefeated in the previous matches.

The season began with Dick Hancock, Rich Conant, Don Federoff, Russ Reichert, and Lou Friend filling first string positions without previous experience in varsity competition. The balance of the team consisted of Jim McNulty, Frank DeLuca, Chuck O'Neal, Londo Pellegrino, Fran Gyger, and heavyweight Sam Maciariello.

In the conference tournament, Trojan matmen Fran Gyger and Russ Reichert captured championships, while Chuck O'Neal and Londo Pellegrino took close seconds. O'Neal and Gyger took seconds in the District, and at Urbana, O'Neal took fourth, while Gyger was defeated in the semi-finals.

Graduating from the team are John McNulty, Russ Reichert, Lou Friend, Londo Pellegrino, Fran Gyger, and Frank DeLuca. Dick Hancock, Rich Conant, Don Federoff, Jim McNulty, and Chuck O'Neal will return when Coach C. M. Sarff calls practice next year, along with Ray Sauter, Joe Bivona, and Virgil Passarelli, who also saw action this year.

VARSITY TRACK

Coach Ralph Steben's Trojan tracksters were very successful in their 1952 season. Besides going undefeated in the season's three dual meets, the cindermen also copped first place in one triangular meet and took second in the remaining three. The team took sixth place in the Wheaton Relays, and scored 21 points in the Mooseheart Relays. After taking third in the conference under Thornton and Blue Island, respectively, and second in the district, Coach Steben led the team to sixth place in the state.

There was no lack of material on this fine team. Distance ace Clarence Jonas returned for his third and final year. Jonas broke several records, among which were the Bloom field record for the mile and half-mile. Denny Murphy also returned to back up Bloom scoring in distance events, usually finishing right behind Jonas.

High point man on the squad, record breaking Ron Leoni cracked two district and two conference marks, as he ran the high and low hurdles and did the pole vaulting. The dash positions were filled by Jim LeFavor, Harry Bishop, and Wallace Branch, and the middle distances by Elliot Metke and Fred Farber. Fran Gyger and Dave George held down weight positions, while Dan Cooney did the high jumping and Ron Schilling the broad jumping.

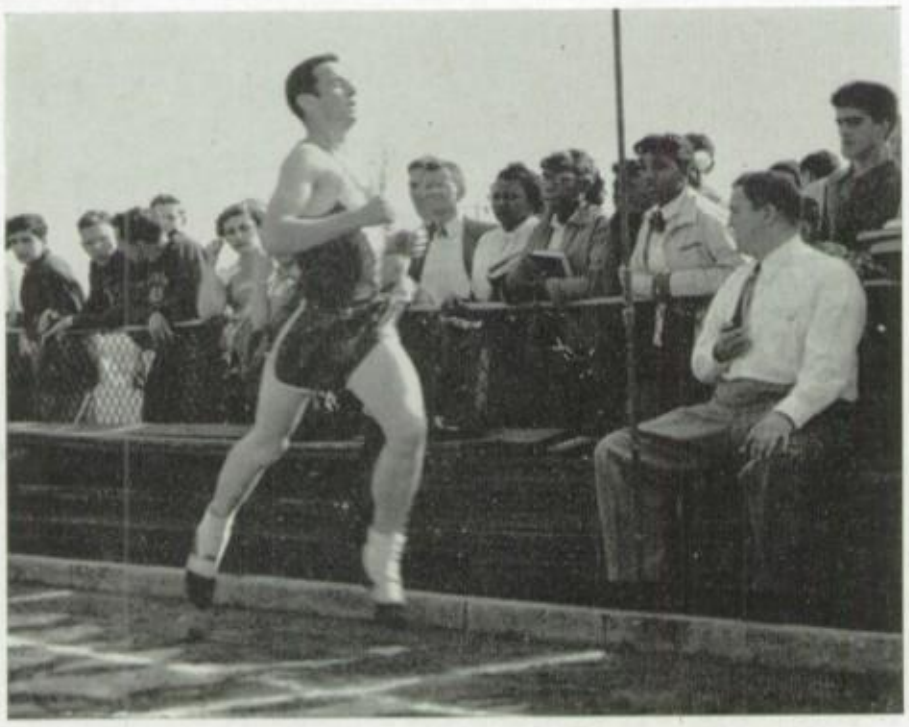
This year's track squad was bolstered by many letter winners from last year's crack team. Ron Leoni, high and low hurdles star, returned to those positions this year. Other boys from the '52 squad are Elliot Metke in the half mile, Fred Farber in the quarter mile, and Wallace Branch in the 100 yard dash.

Also returned are jumpers Ron Schilling and Dan Cooney, along with last year's Frosh-Soph high scorer, Bruce Motlong. The '52 relay team has been practically kept intact, the only departing member being Clarence Jonas.

Juniors from the '52 Frosh-Soph squad who have filled varsity berths this year are high jumper Bill Cooney, and field men Andy Pascarella and Harold Bastile.

Bruce Motlong goes up and over.

The mile relay team, composed of Ron Leoni, Clarence Jonas, Elliott Metke, and Fred Farber, was a consistent winner thruout the season.



Denny Murphy, shown above crossing the finish line, ran thruout his entire school track and cross country careers in the shadow of an outstanding, record-breaking distance man, Clarence Jonas.

It must have been hard for Denny, who in most schools would be a star in his own right, to wind up second time after time. The average individual, finding himself in such a situation, would soon become discouraged and quit. Only a boy with a big heart and a never-say-die spirit could give his all in every race, knowing he had little chance to win. Such a boy is Denny Murphy.

INDOOR TRACK

Although indoor track is only in its second year at Bloom, it has already firmly established itself on our sports calendar.

This year Coach Ralph Steben's boys enjoyed a highly successful season, which was highlighted by the winning of the Naperville Relays. The thinclads also finished eighth in a field of forty-nine tough teams at the Oak Park Relays.

The most dependable boy on the team was hurdles ace Ron Leoni, who went undefeated this year in both the high and low hurdles. Other tracksters who helped make this season a winning one were Wallace Branch in the sprints, Dan and Bill Cooney in the high jump, Bruce Motlong in the pole vault, shotputter Dave George, and distance men Fred Farber, Elliot Metke, Ray Peterson, Charles Russell, and Bill Moehling. The various relay teams also could be counted on to finish in the money.

FROSH-SOPH TRACK

In 1952 the Soph tracksters had a successful season, finishing in third place in the conference. Coaches Andrews and Schramm aided head coach Ralph Steben in developing his first Bloom cinder team into top shape.

In all, the team won four dual meets and dropped only one. The squad took seconds in two triangular contests and triumphed in another. At the end of the season the Trojans journeyed to Blue Island for the South Suburban Conference championship. After an evening of fine performances our Sophs placed third under Thornton and Blue Island, respectively.

Bruce Motlong, the team's high scorer, excelled in the hurdles and pole vault. Other Soph mainstays were Ray Peterson, in the half mile; Bill Cooney, in the high jump and pole vault; and Ron Schilling, in the 100 yard dash, the 220, and the broad jump. Jack Bastle threw the disc, while Don Hagemaster put the shot.

The majority of the team was graduated to the varsity, so the 1953 squad had to rely on freshmen and untried sophomores with a few exceptions, such as Jack Adams, a promising sophomore high jumper. With this lack of experienced boys Coach Steben had to start this past season, which has held farily good results for the Soph thinclads.

BOYS BOWLING

This year's bowling club was a great success. Forty boys participated in the league, bowling 45 games in competition for the trophies that go to the winning team. The race for first place was close all the way along, as the Comets, composed of Bob Norarnicola, Bob Lee, Charles Blackful, and Carmen Geradi, led the pack for the bulk of the season, but were finally overtaken at the end by the Pinpointers. This team, composed of Bill Stern, Lee Myers, Bill Keller, and Marvin Troester went into the last week of competition behind by one game, but forged ahead by winning their last three contests while the Comets were dropping two out of three.

Louis Constabile's 221 game was tops for the league, as was Phil Ehlebracht's 531 series. Emblems were awarded to two boys who entered the newly formed "200" club. Louis Costabile and Bob Lee were the honored keglers, with games of 221 and 207, respectively.

At the end of the season, a banquet was held, and trophies were awarded to seven boys. The future of the club, sponsored by Mr. Walter Kuras and Mr. James Steckel, looks bright, as quite a few freshmen and sophomores bowled this year.

VARSITY BASEBALL

The 1952 varsity baseball squad was handicapped from the very start by a lack of returning lettermen. Since only four monogram winners returned from last year's team, Coaches Bert Moore and Alec Feldvebel had to depend mainly on juniors or untried seniors.

The team started slowly, as was expected, but improved greatly as the season progressed, wining four of its last six games. One of the last four victories was over conference champion Argo, the Argonauts' only loss of the year.

The South Suburban season started with a double header against Lockport, which we split, losing the first game 7 to 1 and capturing the second 11 to 0. Running into a streak of rough luck, the Trojans then lost to Leyden, Blue Island, Thornton, Argo, and Kankakee.

Snapping out of their slump with a vengeance, the Bloom Batsmen upset the league leaders and eventual champion, Argo, 7 to 6, and edged out Thornton Fractional Meteors 2 to 1. Although they lost their next two tilts, the Trojans closed the season in grand style, beating Thornton 7 to 5 and Cal City 6 to 5. As a result of their late season splurge, the Bloomites tied for third place in the league.

This year the squad was bolstered by the return of seven letter winners: Joe Kwasek, Tony Gatch, Snooky Zawada, Tom Bell, Bill Fornal, Londo Pellegrino, and Carmen Gerardi. Six minor award winners were also added to this promising team.

This year the varsity baseball squad reaped the benefits of last year's work, as a large percentage of the players are boys who saw action during the '52 season.

The pitching was handled by senior moundsmen Jim DeBoer, Len Lula, and Roger Day, and by junior hurlers Jack Hlavach and Ron Schafer.

Other seniors on this year's squad are Londo Pellegrino, Bill Fornal, Carmen Gerardi, Sam Maciareillo, Dan Biddick, Joe Kwasek, Snuckie Zawada, Kelly DiSanza, Tom Bell, Tony Gatch, and Tom Shelley.

FROSH-SOPH BASEBALL

The '52 Frosh-Soph team won six and lost four games, and had a .500 average in conference play, winning four and losing the same. In the race for the conference championship, Coach Charlie Hubacek's boys finished third behind first-place Blue Island and Thornton.

The bulk of the pitching duties fell on the shoulders of Jack Hlavach and Ron Schaper, who started all the games. Hlavach started six games and wound up with five wins and a lone loss, while Schaper took the mound in four games, winning two and losing two.

The outfield was composed of Jim Edwards, Bill Dewey, and Bob O'Connell, and the catcher's position was filled by Paul Compratt. "The infield was juggled," said Coach Hubacek, "according to conditions."

The team lost two games to Thornton, 6-2 and 5-4, the second contest being an extra-inning affair; but they made up for that by twice trouncing Lockport, 16-4 and 12-1. The Little Trojans then split to both Blue Island, 5-2 and 3-5, and Leyden, 4-3 and 2-3. Heavy hitters throughout the season were Jim Edwards and Bill Dewey.

These boys bolstered this year's varsity squad, and next year should be rady to carry on in our winning tradition.

GAA BOARD

Through the efforts of the GAA, the girls who spent time in the gym were able to have fun and make friends. The officers, Ida Paci, president; Idafern Swanson, vice-president; Gail Pomrehn, secretary; and Nancy Killmer, treasurer; with the assistance of sponsors, Miss Liela Veazey, Miss Joan Johnson, and Mrs. Louise Schultz, were the leaders of the many activities carried out during the year. Jane Cull, freshman; Jean Spangler, sophomore; Teresa Bellamy, junior; Beatrice Marshall, senior, were the point recorders; Doris Ann Mikol was the representative from the paper.

Soccer was the first sport of the year, and the new fields added enjoyment to the game. The senior GAA met on several Wednesdays to make use of the fields after school. The first "big" GAA event was the Ranch Playday in October. Then at Christmas each GAA held its annual party with refreshments furnished by the organization. The GAA also bought the Christmas tree for the school library. The girls raised money for these expenditures with the membership drive and candy sales.

Tournaments sponsored by the GAA among the classes are in table tennis and badminton. The archery team copped first place in the state tournament, and the Bowling Club entered a state tourney in the spring.

All in all, the girls who belonged to GAA certainly kept themselves busy and happy with their sports activities.

SENIOR G A A

Wednesday night was senior night in the girls' gym, and Miss Joan Johnson's seniors spent this night each week participating in a variety of sports. As usual, the first sport was volleyball. The team captained by Jeannette Gloss won the round-table tournament held among four teams.

During the winter months basketball was the girls' main interest; and with the arrival of spring and badminton the seniors ended their four years of GAA happily.

JUNIOR GAA

Mrs. Louise Schultz and the junior GAA filled the gym with activity as they played the games on the year's agenda. After two years' experience these girls became quite skilled in volleyball, basketball, and badminton. To add competition, several tournaments were held in which the girls exhibited their usual enthusiasm. Although these sports-minded gals got off to a slow start because of time conflict, they enjoyed spending one night a week in the gym.

SOPHOMORE GAA

Activity and enthusiasm prevailed in the gym on Monday night more than any other night, for it was then that the sophomores met under the supervision of Miss Joan Johnson to enjoy the recreation sports had to offer. With one year of experience behind them and two more to come, the sophs went all out to get the most from the hour after school during which they could play their favorite games.

FRESHMAN GAA

Mrs. Louise Schultz and the freshmen spent most of their time this year practicing diligently the skills of basketball, volleyball, and badminton. Each girl seemed interested in gaining more freedom and agility in each of these sports; and, therefore, "practice and more practice" seemed to be the password in the gym on their night each week. With one big year behind them the "freshies" looked forward to three bigger GAA years.

TUMBLING

The girls' gym was especially active on Friday nights after school. It was then that the Tumbling Club met to learn the fundamentals of acrobatics. The club is becoming more popular each year as was shown by the rise in its membership. More girls became interested in tumbling not only because this exercise improved body control and muscular coordination but also because it was fun and interesting.

BOWLING CLUB

A strike! The dream of every Bowling Club member (normal one, that is). Of course, there were a few whose scores showed they were quite familiar with strikes and spares. Among these were Pat Ahrens, Barbara Gaby, Joan Hillegonds, and Barbara Urban. Most of the girls, on the other hand, were not so advanced in rolling the ball down the alley. These unfortunates returned each week with renewed spirit to try again.

BASKETROOM GIRLS

The girls who stood behind the iron screen around the basketroom seven hours a day and two hours each night after school deserved much commendation. The basketroom girls were indispensible, for it was they who fetched the baskets at the call of a number.

ARCHERY

For the third straight year Bloom's archery girls won the State Archery Tournament. The female Robinhoods tallied a total of about 1540 points, the highest of the three champion scores. Ida Paci, Doris Ann Mikol, and Ravae Sharp, three top scorers at Bloom, were also the top sharp-shooters in the state.

CLASS HELPERS

Spring time meant more than 'love' time; it meant badminton time in the girls' gym. When the 'birdie' and the 'love-all' were terms used in the gym and the girls had rackets in their hands, it was a sure sign that spring had come—and badminton, too.

BADMINTON

This year something new was tried in the girls' gym classes. Upperclass girls who took special interest in the gym assisted the physical education instructors in teaching the underclass girls, particularly the freshmen. This help was especially valuable when skills were taught for the first time.

CHEERLEADERS

"Yea, Bloom! Yea, Team!" These are the words the Bloom cheerleaders used most often to lead the students in backing their teams. The peppy gals who were seen at every game in their blue and white met every Wednesday after school, practicing diligently and striving for perfection. Mrs. Louise Schutz, sponsor, and Rose Cozenza, captain, did their parts efficiently to lead our cheerleaders.

In the spring almost fifty girls try out, from which only seven are chosen. Last spring three new girls were added to the squad, Elaine Cipolla, Sylvia Stosor, and Joyce Agress; while Ida Paci, Nancy McInrue, Gloria Napoli, and Rose remained from last year's squad.

Since Joyce Agress had moved during the summer, the squad lacked one member for most of the football season. Linda Marcum was then chosen to complete it, and the girls finished the football and basketball seasons with a full squad. During these seasons they traveled out of town and met many other cheerleaders, besides cheering at Bloom in pep assemblies and at home games.

For the terrific job our cheerleaders have done this year and in past years, we should all give a great big yell, "Yea, Bloom! Yea, Cheerleaders!"

SCHOOL BOARD

The Board of Education is always striving to make Bloom a better school. Mr. Harvey Adair retired this spring after 24 years of devoted service, 13 of them as president, and Mr. George Brooke after nine. In 1952-53 building expansion rated top consideration.

COUNSELORS

The students of Bloom are very much indebted to their counselors. They help teenagers with their social and personal problems. This year, for the first time, they eliminated much work for the teachers at the beginning of the second semester by registering all the students.

In addition to their routine duties the counselors do the main planning for the career conference which is held every year. The junior-senior counselors, Miss Viola Herr and Mr. James Steckel, help many seniors with plans for college. They also plan the college conferences which are held. They are always ready to give a helping hand to anyone in need.

ASSISTANT SUPERINTENDENT

Mr. Alfred Odegard, business manager and assistant superintendent, has many duties which include the purchase of supplies and equipment, preparation of the school budget, school elections, bus systems, and others.

REGISTRAR

Miss Hildur Soderman, registrar, is the keeper of student records, and among many other duties, sends out transcripts of credits for seniors going to college.

DR. HAROLD H. METCALF

SUPERINTENDENT

The central figure behind the success and good standing of Bloom is our superintendent, Dr. Harold H. Metcalf. His foremost thoughts are of improvement for the good of the students and faculty. His leadership during a period of marked growth in size of the student body has helped Bloom to maintain an outstanding position among the better high schools in Illinois.

IN REMEMBRANCE

People who are greatly loved in this world always leave a permanent mark of warm remembrance in the hearts of all their friends. One such a person was our own beloved Miss Dorothy Martin. The many friends she made during her 23 years on the Bloom faculty will never forget her.

Miss Martin was particularly interested in the ambitions, successes, and failures of each of her many students, and was exceedingly co-operative in advising and encouraging those who would accept her guidance. She was always eager to lend her assistance to the activities and problems of others.

One student activity close to her heart was the work of the Welfare department, of which she was sponsor for several years. To a great degree she was responsible for its enviable record of community service.

Miss Martin's everlasting patience, her pleasant smile, her sweet disposition, and her helping hand will long be remembered by those who came in contact with her during her shortlived journey through this world.

Those of us who had the good fortune to have Miss Martin as homeroom teacher will always remember the sound advice and friendly guidance that have helped us to be better students and citizens.

Of this dear one who has left us, we can only say that she is gone, but in our hearts and memories she will live forever.

—Rosalie Mikol.
